

FinCore and FinPlus Agreements

If you want to take care of your own servicing but use comprehensive condition monitoring data to advise you how and when to maintain your equipment our two entry 2 condition monitoring packs provide the perfect solution.

Included as part of our Level 3 **ADVISE** Equipment Management Solution bundle, FinCore and FinPlus provide you with the information and parts* that you need to keep your equipment fully serviced and running at a time that is convenient to you.

	FinCore	FinPlus
<p>Inspection</p> <p>At 2,000 hours / 24 months* we will send a qualified engineer to carry out a full visual walk-around inspection to identify and advise of any remedial repairs required.</p>	✓	✓
<p>Electronic Control Module Download</p> <p>Electronic Control Module (ECM) data download and analysis.</p>	✓	✓
<p>Maintenance Parts</p> <p>Finning will supply all fuel, oil and air filters (excluding cab filters) and fluid analysis sampling kits for you to perform all scheduled servicing** for the machine up to 2,000 hours*.
